## THE BARGAIN

—AND IT'S WELL WORTH YOUR WHILE!

Through special arrangements with the manufacturers, and during this Bargain Week only a beautiful, useful and substantial set of Cooking Ware will be given with every Majestic range sold. This ware is good ware (not cheap ware)—it's worth a lot to you. Come and see for yourself.

### And Remember—

The price of a Majestic Range this week will not be increased, and there will hardly be a great reduction for years to come, if ever, but there may be an increase soon.

## TWO NEW AND IMPORTANT FEATURES

### The Wonderful Unseen Riveting

Yes, it's rivet-tight, just like the old Majestic, but the rivets clinch inside of nicked parts, leaving nickel smooth as glass, and there are no big, bulky bolt-heads on the inside. And, remember, rivets hold tight; bolts with only one or two threads holding are bound to work loose and cause no end of trouble. The Majestic is smooth inside and outside—it's a striking beauty—more than skin deep.

If you haven't a MAJESTIC, avail yourself of this opportunity to get acquainted with this wonderful range—know the inside of ranges.

### OH, JOY! TOP NEEDS NO BLACKING

A smooth, highly polished cooking top, burnished blue, not only adds to the beauty of the MAJESTIC RANGE, but absolutely eliminates the work, dirt and worry of trying to keep the range looking nice—just an occasional thin coat of paraffine retains its beautiful velvet blue color.
